

BUILDING THE MOST RUGGED PRODUCTS WITH UNRIVALED CRAFTSMANSHIP AND CUSTOMIZATION

FOCUSED ON YOUR EXACT AND UNIQUE NEEDS

The Liberty Type I ambulance delivers Braun's premium craftsmanship in a value-optimized package—allowing departments to acquire a custom-built emergency vehicle that aligns perfectly with both operational needs and budgetary requirements.

Featuring a versatile 156" module available on six chassis platforms in both 2WD and 4WD configurations, the Liberty provides the operational flexibility demanded by today's emergency response environments.

Our progressive options package enables precise customization of both interior and exterior elements, while maintaining the same uncompromising quality and safety standards found in our larger models—proven through Braun's industry-leading testing protocols and reinforced structural engineering.
